

Dear Members,

Update your contact information

All members registered with IBSL must have a valid email address and mobile number on record to receive important notices from IBSL.

Members can update their contact details online via their MYIBSL account on the IBSL website provided they have a **valid username and password**. Please ensure all contact information (Address, Email, Mobile and Tel.) is updated accurately in your MY IBSL account.

Please note that all future correspondence from the institute will be conducted via emails only. Therefore, your support in this regard is highly appreciated.
